MELODY FOR THE LAST FRIDAY OF THE HOLY GREAT FAST

This great fast O Christian people	Fast it with purity and meekness
Fasting never meant starvation	Fasting is humility and repentance
Fasting is obedience to God	Fasting is following the commandments
Which are in the Torah commanded	Written on two holy tablets
The first is love the Lord your God	From all your heart and thought
And love your neighbor as yourself	As, in the Bible, we have been taught
The second is do not make idols	And never worship other gods
The Lord destroys the idolaters	Because He is a jealous God
,	J
The third is never use God's name in vain	Lest you be greatly condemned
Swearing is not proper	Let us avoid such habits
The fourth is remember the Lord 's Day	Consecrate time to learn His way
For He rested on that day	With praises observe it and pray
The fifth is obey your father and mother	For they cared for you
That God may prosper your life	Through their prayers for you
The sixth is you shall not kill	Any person, loved or reviled
Love even all of your enemies	Killing is a great sin that is despised,
The seventh is never commit adultery	Do not torture the body
Avoid the anger of God	So that He may show you mercy
The eighth is never steal anything	Be content with God's blessings
So you will be counted righteous	And do not delay your offerings

God listened while he was in the den	And granted him grace and security
Through fasting and prayers at all times	The holy men gained prosperity
And put out the flames of sin	While waiting for the heavenly
After thirty whole years	From the birth of the Lord of might
He was baptized by St. John	Then fasted forty days and nights
Satan was confused by His condition	Seeing Him in signs of weakness
God knowing his thoughts appeared hungry	Though He is the Lord of powers
Satan came to tempt His king	As he with Adam did
And said, "if you are the Son of God	Tell the stones to become bread"
Jesus our Lord answered	"Not by bread alone man lives
But by every word of God	Shall man live without sins"
Jesus went out to the wilderness	To fast and teach all humans
That those who accepted baptism	Can benefit from fasting and prayers
David the great king	Became a prophet by his righteousness
And a great and powerful king	Remembered throughout generations
The prophets bore the tortures	From the pagans and unbelievers
Through fasting and prayer they raised the d	lead And directed people to the Redeemer
He forgave Adam and Eve	And all of their generations
Through fasting and good deeds	He accepted the Ninevite nation
Our Lord glorified those who fast	Whose righteousness is from above
And cast away their enemies	With His might and His love
Our path to the Kingdom is through fasting	As He commanded us to live
Let us fast and forgive our enemies	That He may forgive us our sins

Let us fast and pray with fear That we may reap all its fruits

We wasted our lives in the world Indulging in prodigal living

Obedience to the Lord is necessary "Cling to God and resist Satan

Our Lord appeared in His humanity To grant the world freedom

He taught us fasting with prayer He showed us great miracles

He forgave the sinful women He gave her the ever-lasting water

The Jews would not believe So they questioned his parents who said

"Do you believe in the Son of God?" He said, "Who is He my Lord?"

Our Savior completed His plan They are our debts to Him

Listen to the wordsof our Savior "Come to Me heavy laden, come

Those who desire to return Confess to their father of confession Like the tax collector with obedience Let us ask Him for forgiveness

With dancing, gluttony, and drinking The day of our departure, forgetting

As St. Paul teaches us saying He will run away from you fleeing"

One Person of the Trinity From the devil He hid His divinity

And "Our Father who art in heaven" Signs of healing we were given

He changed the heart of the Samaritan She accepted all that He was offering

That He opened the eyes of the born-blind "When we bore him he was blind"

He asked the blind man whom He healed "I am He, your rock and shield"

And bore all our sufferings and pain With good deeds, forgiveness we gain

In the Bible, He has a request And I shall give you rest"

They must repent to Christ And all the sins shall be erased

Let us offer supplication and prayers	To God who is in the heaven
And have mercy and help those in need	According to what we have been given
O come all before the darkness	To buy the oil of service
For it is the lamp of grace	Illuminating in the time of darkness
We ask our Savior Jesus Christ	With great respect worshipping
That He would hear our prayers	And grant us the kingdom of heaven
We worship Him and praise Him	He hears his servants who are praying
Let us follow His commandments	We shall receive goodness with blessings
Lord, help us follow your commandments	Have mercy on us all together
And in your kingdom gather us	In prosperity and happiness forever
And protect Your church in every place	Keep its gates open at all times
Protect the congregations in peace	From every plagues and evil mind
