

## Hymn for Second Sunday after Resurrection

I open my mouth with the praise of the Lord  
The Lord sits down on His right throne

After we had been bitten by sin  
The gentle healer came and healed us

All the heavenly powers worship Him  
Saying Holy, Holy, Holy

He came to us as the Perfect Man  
For the salvation of all mankind

They laid Him in the tomb for three days  
And then He arose in great victory

He left the tomb in all glory  
Destroying the power of the enemy

He was, He is and He is to come  
He is eternal, wonderful, and invisible

The women saw the angel in the tomb  
That Jesus Christ is risen in truth

They were all filled with joy and peace  
The joyful and glad tidings that

The Master of all creation  
Is truly risen from the dead

The righteous David prophesied that  
The evil counsel of the wicked one

The whole world was rejoicing  
Now is the era of the True Light

The Jewish people have gone astray  
By remaining in their unfaithfulness

Jesus Christ offered His body and blood  
Who have no helper but Him

With rhymes and hymns I will compose  
Christ was crucified and buried, then arose

And from its poison we received our dose  
Christ was crucified and buried, then arose

With songs and with trumpet blows  
Christ was crucified and buried, then arose

And all the pain and shame He chose  
Christ was crucified and buried, then arose

He slept and rested as One who reposed  
Christ was crucified and buried, then arose

And all that death he did transpose  
Christ was crucified and buried, then arose

Eternal life to us he bestows  
Christ was crucified and buried, then arose

And the good news he did propose  
Christ was crucified and buried, then arose

And ran to the disciples to disclose  
Christ was crucified and buried, then arose

The Lamb of God, the blossoming Rose<sup>1</sup>  
Christ was crucified and buried, then arose

The Lord of glory will rise and expose  
Christ was crucified and buried, then arose

Darkness is gone, now the light glows  
Christ was crucified and buried, then arose

And publicly became His foes  
Christ was crucified and buried, then arose

To heal the sick and to save those  
Christ was crucified and buried, then arose

---

<sup>1</sup> Song of Solomon 2: 1

By great signs and miracles  
The prince of evil is exposed

Marvelous is the His wisdom  
Proven by His powerful resurrection

His justice is never shaken  
And He still did satisfy both

He redeemed the world through His Mercy  
Righteousness and peace have kissed<sup>2</sup>

Offer to the Lord all you nations<sup>3</sup>  
Offer to the Lord hearty gratitude

We were enslaved and without hope  
To us who were lost like sheep<sup>4</sup>

Power and majesty belongs to Him  
And erased the power of death

He descended down to Hades  
Who were waiting for paradise

This is the True God  
With His light, He enlighten us

He commanded His holy disciples  
In the Name of the Father, Son and Holy Spirit

Teach them all things that I have commanded you  
Go and Preach my Holy Name

Do not fear my brave disciples  
Even to the end of the ages

O who has purified His apostles  
Deliver us from the evil one

Truth and Justice are now shown  
Christ was crucified and buried, then arose

beyond the power of our limited thoughts  
Christ was crucified and buried, then arose

Yet His enduring mercy flows  
Christ was crucified and buried, then arose

Together have met, mercy and truth  
Christ was crucified and buried, then arose

Glory and praises now compose  
Christ was crucified and buried, then arose

But His perfect freedom He bestows  
Christ was crucified and buried, then arose

Who deflected from us the enemy's arrows  
Christ was crucified and buried, then arose

He brought up with Him all those  
Christ was crucified and buried, then arose

Giver of life to the broken bones  
Christ was crucified and buried, then arose

Baptism to all nations, now bestow  
Christ was crucified and buried, then arose

To keep the commandments and the laws  
Christ was crucified and buried, then arose

Lo, I am with you always  
Christ was crucified and buried, then arose

Blessing and peace you have bestowed  
Christ was crucified and buried, then arose
