

Melody for the Feast of Transfiguration

✦ مديح

- ✦ Glory be to the merciful God
Glory be to the Logos
Glory be to the Holy Spirit
The Trinity we glorify always
- ✦ He who sits on the cherubim,
Is blessed by the seraphim
The creatures carrying His awesome throne
Indefinitely praise Him
- ✦ The twenty four presbyters
Praise Him with great delight
Along with archangel Michael,
Standing before the throne of light.
- ✦ The thrones, dominions and powers
The archangels and angels
Praise with beautiful songs
He who exists before all ages
- ✦ We are his beloved people
We Worship crying forever more
Glory to the Son of God
Who transfigured on Mount Tabor
- ✦ The Creator transfigured
As recorded in the Bible
He took up with Him
Three of the blessed disciples
- ✦ Peter, and the beloved John,
James of Zebedee, He did invite
They went up on a high mountain
And He transfigured with great light

- ✦ His clothes were white as snow
His light filled the mountain
Two ancient prophets appeared
Moses and Elijah the chosen
- ✦ They reverently talked to our Lord
Peter bravely opened his mouth
Let us build three tabernacles
On this very holy mount
- ✦ One for your Holy glory,
One for Moses and another
For Elijah your servant
A cloud of light covered them together
- ✦ A great voice was heard
This is My beloved Son, Him hear
They were awed and amazed
And trembled with great fear
- ✦ They fell down on their faces
Their strength did cease
Jesus came and touched them
And they were filled with peace
- ✦ They looked up and saw
Only their Lord of powers
Bright as a shining star,
Full of glory and honor
- ✦ On their way down from the mount
He spoke to them and said
Do not tell anyone what you have seen
Until I rise from the dead
- ✦ The disciples were filled with faith

They glorified the Son of Man evermore

They praised Him saying

He was glorified on Mount Tabor

✦ O You who shined so bright

Before Your beloved disciples thus

Save us from our enemies

And have mercy and enlighten us
