

An "Ark" decorated on one side with  
The Last Supper.

# The Ark

The **ark** is the box in the center of the altar where the chalice sits tightly in it. The box is decorated with four icons, one always about the Last Supper. The box is called the **ark** because through Noah's **ark**, Noah and his family were saved. We also are saved by the blood of the Lord Jesus Christ which is in the chalice in the **ark**.
