### ***The Lost Dog***

1. The Master symbolizes God. That is because God wanted to love us and so He created us and took us to Paradise. There He gave us everything we need and want. He told us to do what we wanted except for one thing. When we disobeyed, we fell away from Him. Also the Master is the ruler of everything. He is the Almighty.
2. Angler symbolizes us human beings. We were living in Paradise with God until we sinned against Him and disobeyed His commandment. Then we were left to go into the world where the devil always tries to hurt us. We became worse and worse until our Lord Jesus Christ came after us.

3. The city of darkness symbolizes the fallen earth because Satan rules over it. Our Lord Jesus Christ said, "The ruler of this world is coming and he has nothing in Me." This is the world of sinners who follow their ruler, the devil.
4. The city of light symbolizes heaven. This is because the Son of God lives there and it is a beautiful place filled with the light of God's glory.
5. The people who live in the city of darkness are the devil and all his angels who always try to teach us how to hate, to be angry, to gossip, to fight and to do all that is evil.
6. The people in the city of light are the angels. They are the ones that God sends down to try and help us. They are constantly calling us to God and they are constantly trying to heal the wounds that Satan inflicts on us.
7. The boy symbolizes our Lord Jesus Christ. When our Lord saw that we could not get out from the evil in the city of darkness, He came in after us. He knew that He would be beaten and killed but He accepted this because of His great love for us. Also, God gave our Lord Jesus Christ the power to sit in judgement of everyone to see if they deserve to go to heaven or hell.
8. Our Lord Jesus Christ said, "There is no greater love than this, that a man should lay down his life for his friends." Our Lord Jesus Christ so loved us that He gave up all the glory of heaven and lived as a poor man in a city full of darkness. He loved us so much that He gave up His life that we may live in heaven (John 3:16). He was an innocent man, which means He did nothing wrong, but He was condemned to die and He was treated like a criminal. All this was the result of the sin we committed. He didn't have to go through any of this, but He did because He loved us so much.
