HOW TO GET READY FOR CHURCH

Get Ready to Go....

Once you get to church...

- + Make the Sign of the Cross when you enter the Church
- + Say the Lord's Prayer (Our Father who art in Heaven...)
- + Go up to the Altar and make 3 Metonias, the sign of the cross and say the Lord's Prayer

What's the first thing
you seen when you get
to church?
The church building
of course!!

The church building is God's house.

Because God is King of kings,
the house of God is built to look like a palace.

A palace is a very beautiful building where the King lives.

Oftentimes there is a gold dome on top of the church.

Gold is a color used for kings.

We go to church because God is more than a king for us.

He is our loving father.

We go to church because we belong there.

We are members of God's kingly or royal family.

Each of us is a prince or princess in God's eyes.

Because we belong to God, we are very important people.

The more we love God,
the more we want to go to His palace and be with Him.
