

This year's ADVENTURE!

Where are we going???

Mighty Angels magazine is going on a Mighty Adventure this year!! We're going to travel to some of the most beautiful places on earth AND we're going to answer some of the questions you have always had!

We're going to CHURCH!!!!!!!!!!!!!!!

The Coptic Church is one of the greatest of God's gifts to humans. There is so much to learn about it that we are going to spend the entire year discovering all of it's great parts!

So get ready to take off! Get your Mighty Angels Wings on and let's go....
Let's meet our tour guides...

Mina and Dina Kaneesa!

They are brother and sister and love to go to church. Mina is a deacon and Dina serves in church by helping the kids follow in the Liturgy Book and by getting them lined up for Communion. Both work very hard and love the church with all their heart.

Hey what's up everyone! Ready to have fun?

YEAH!
