

God Made Today

By Harrison Woodard

Jump out of bed and welcome the day
This is the day that the Lord has made
Come on everyone shout for joy and say,
God made today.

Knock on the door, its fear dropping by
Worry on the phone, just to say 'hi'
With God by your side, send them all away,
God made today.

Later that night, I'm tucked in my bed
Big fluffy pillow, under my head
Can't go to sleep before I bow and pray,
God made today.

Let every living thing praise our King, and sing,
God made today.
