

we confess with dignity and glory which came upon them in obedience to Your will. Give them O Lord the health, the peace, the strength and the ability to practice their high leadership that you gave them. O You, our Master, the King of Kings and the Heavenly King of ages gave the man the power, the authority and the glory to rule over everything on the earth. O Lord, lead their thoughts with every good deed that is justified before You to practice in

gentleness the power and authority you gave them in peace and humbleness so they can confess Your power and Your goodness. Amen.†

This was a brief overview of **St Clementís** Letter to the Corinthian Church and you can find the entire manuscript in Ante Nicene Fathers, Vol.1. The blessings of his prayers be with us all. Amen.✠
