

From Heart to Heart

HOPE is thankful to the Lord for a year full of support for many who are in need and are passing through difficult times in their lives. HOPE is also thankful to all your generous donations and support during the previous years. As we reach to the conclusion of a blessed year we would like to share our achievements with you. During this year HOPE was able to reach out to more people and fulfill more needs of many in desperate situations. Outlined are some of last year's achievements:

- ❖ Covered the cost of essential medications to maintain the basics of health for many suffering from different illnesses.
- ❖ Supported the needs of disabled children in Egypt.
- ❖ Provided winter jackets as gifts for kids to face the harsh winter in Egypt in homes without heating.
- ❖ Provided seed fund to bridge people to independent work projects.
- ❖ Helped many victims of divorce and separation.
- ❖ Provided medical consultation and treatment arrangements for those who needed treatments in the US.
- ❖ Containers full of clothes, furniture, medical supplies, and school supplies were sent to different churches in Egypt and an orphanage
- ❖ Container full of medical supplies was sent to St. John Hospital for the treatment of the poor.

These are few of many requests and needs of those who are still fighting and suffering the increasing inflation and poverty in many places in the world.

HOPE Update

Hope is in continuous growth and reorganization for better service to the increasing demands in the US and abroad for its services. The expenses for previous years is outlined:

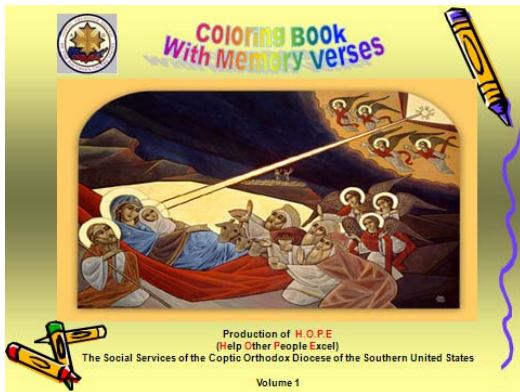

We take pride in the fact that all of our services are performed by volunteers with none of the outflow funds are used in administration.

For Every Child

HOPE has also produced a Christian coloring book with memory verses for the children. The income from the book will be completely dedicated to help the sick and the poor. Volume II of another coloring book is in production as well as an English hymns book. Orders for the book can be obtained through:

INVITATION

As we start a new year, I would like to invite you to experience the joy of giving. It is a liberating feeling from the boundaries of self and your own problems. The happiness in lending hand and supporting others in desperate times is beyond description. We invite you to sponsor a poor child or a poor family and experience the blessed returns from the virtue of sharing and caring for others.

New Horizon

Our mission for this year is reaching brighter new horizons. Many new servants are joining our service and are striving to achieve our new horizon. We will continue to serve till we eliminate poverty and despair among Copts. Our new horizons are to:

- Proactively reach out for the needy who are embarrassed to ask for help.
- Find a Good Samaritan for every needy child or family.
- Extend help to the needy Copts in the remainder of Africa.
- Provide a winter Jacket for more poor children.

“HAPPY NEW YEAR”
