

THE EPISTLE TO THE ROMANS

Wednesday Nights Holy Bible Study

St. Mark Coptic Orthodox Church of New Orleans

CHAPTER 7

1. How does our condition after dying to the law compare with the former condition of being under the power of the law?
2. How did we get freed from the law and what do we have to do now that we are freed?
3. How did the commandment, which was to bring life, end up bringing death instead?
4. How did sin invade the human nature through the law?
5. What factors contribute to the growth and spread of sin?
6. Are we sinful by nature or is sin a foreign force? Why?
7. Does the term "body of death" in verse 24 imply that the body is evil in nature? Why or why not?
8. What did St. Paul mean in verse 23 by 'the law of my members warring against the law of my mind'?
