

EPISTLE TO TITUS

Wednesday Nights Holy Bible Study

St. Mark Coptic Orthodox Church of New Orleans

Chapter 3

- 1) In many epistles, St. Paul spoke about our relationship to the authorities. Explain this Christian concept and how did our Lord Jesus Christ establish this concept?
- 2) What is the orthodox view on: a) 1st birth, b) 2nd birth (rebirth or regeneration), c) 1st death, and d) 2nd death?
- 3) Non Orthodox use verse 5 to support their teachings of uselessness of the works. Prove from the same chapter that the good works of faith are essential for salvation?
- 4) What did St. Paul mean by avoiding genealogies in verse 9?
- 5) What did St. Paul mean by the "divisive man" (v10)? How should the church deal with him? Give one historical example.
