The New Age Movement

Satan at Work
A Tolerant Society

- Tolerance has become our society's only moral standard
- Society teaches that we must accept everyone's beliefs as being "equal" to our own
- We are taught that all religions point towards the same God
THE TRUTH

- It is a verified and indisputable fact or principle. *(Webster's American Dictionary)*

- Truth by definition is the way things really are.

- For example, if we asked three people what $2 + 2$ is and they come up with three different answers, what we may know is that at the most one is correct and the other two are wrong. Maybe even all three are wrong, but no more than one is right. Error is broad ($2 + 2 = 5$, $2 + 2 = 6$, etc.), but the truth is narrow.
Is Truth Relative?

- Society teaches that truth is a matter of personal preference.
  - what's true is what works for you.

- No reality is contingent upon our view of it. Truth will have consequences in our lives whether we believe it or not.

- The bottom line is that Truth cannot be relative, if it is then it is not truth!
The "New Age" proclaims that human race is at the verge of a "gigantic quantum leap", to realize that every human is God.

When that happens, it will be the "New Age", a glorious time with only one nation on earth, one language, one government, one religion, with only love on earth, without hate, violence, wars, crime, racism, and without sickness nor death!...
The Movement’s Victims

- The Musical "Hair" launched the concept of the Age of Aquarius on a popular and international scale.

- Shirley McLaine is the most active figure with her seminaries, books, TV series.

- Marilyn Ferguson, with the most prominent book of the New Age, "The Aquarium Conspiracy".

Imagine there’s NO HEAVEN
It’s easy if you try
NO HELL below us
Above us only sky
Imagine all the people
Living for today…

Imagine there’s NO COUNTRIES
It isn’t hard to do
Nothing to kill or die for
And NO RELIGION too
Imagine all the people
Living life in peace…
“Imagine”  
by John Lennon

You may say I’m a dreamer  
But I’m not the only one  
I hope someday you’ll join us  
And the world will BE AS ONE

Imagine NO POSSESSIONS
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world…
Essential Belief

- **Monism:**
  - All that exists is derived from a single source of divine energy. All is one, all is God.

- **Pantheism:**
  - All that exists is God; God is all that exists.

- **Panentheism:**
  - God is in everything and everything is IN God

- **Reincarnation:**
  - After death, we are reborn and live another life as a human. This cycle repeats itself many times. Ultimately we achieve immortality
Personal Transformation:

- Believers hope to develop new potentials within themselves: the ability to heal oneself and others, psychic powers. (Human Potential Movement)
- Later, when sufficient numbers of people have achieved these powers, a major spiritual planet-wide transformation is expected.

Morality is Relative

- No Distinction between good/evil or right/wrong
- There is no judge of ethics
- Actions simply “are”, they are not good or evil
- The individual decides what is “good” for him
How to Become God?

- To become God is easy, because you are already God, and the only thing left is that you realize it by means of "mystical experiences".

- It is the ultimate philosophy of the "Me Generation"
Methods to Become God

- You name it, and you have it in the New Age. It is nothing "new", just the old time ancient religions, cults, all kind of superstitions.

- Just to name a few:
  - Acupuncture, Zen Buddhism, Yoga, clairvoyance, biofeedback, reincarnation therapies, ouija boards, astrology, tea leaves, dream therapy, holistic healing, parapsychologic mystic experiences, telepathy, balancing the yin and yang, hypnosis, meditation, mantras, extraterrestrial beings, herbologists, polarity therapy, reflexology, aromatherapy, therapeutic touching, and homeopathy.
The 4 Tricks of Satan

- This movement is a result of the same old 4 tricks of Satan described in Gen 3:4-5
  - Then the serpent said to the woman, "You will not surely die. For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil."
    1. You will not die
    2. Your eyes will be opened
    3. You will be like God
    4. Knowing good and evil

- These are "the 4 main doctrines" of the New Age different cults and groups.
(1) You Will Not Die

- At the core of the New Age belief is "Reincarnation". You will never even be sick with the holistic healing, exercise, diet, herbology, biofeedback, acupuncture, massage techniques, magic, the healing effects of crystals, pyramids, and other many superstitions...

- Eventually, you will obtain the utopia of "immortality", because matter and spirit are one (monism).
(2) Your Eyes Will Be Opened

- You will become conscious of how powerful you are, capable of shaping your own destiny and overcoming any problem...

- This is the "human potential movement" which helped tremendously in the spread of New Age
"Pantheism" is the heart of the New Age: "God is all and all is God"... because God "is not a person", it is "Energy", "the Force"... God is not "He", but "It", a stone, a star, you, I.

The "gigantic quantum leap", is when every human will realize that he is God... and this will occur "suddenly", as a "quantum leap", when enough people on earth have the realization of being God!

this great energy will bring world peace and prosperity, a sudden solution of all the problems of the world!... a universal religion with immortality...
(4) Knowing Good and Evil

- Just like Pantheism, "naturalism" is also a core New Age doctrine.

- The New Age goal is achieving the knowledge of "global transformation": because we all are "Planetary Citizens", living in only one village, the "Global Village".

- In this new knowledge, music and arts are of the "natural": singing birds, rivers, mountains, the music of rain, storms, the oceans, the desert...etc.
On The New Age Bookshelf

• *Seven Spiritual Laws of Success* by Deepak Chopra

• *The Other Side and Back* by Sylvia Browne

• *The Art of Happiness* by Dalai Lama, et al

• *Mind Medicine* by Uri Geller

• *Talking to Heaven* by James Van Praagh

CONCLUSION

- Acts 4:11

This is the stone which was rejected by you builders, which has become the chief cornerstone. Nor is there salvation in any other, for there is no other name under heaven given among men by which we must be saved.
For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers; and they will turn their ears away from the truth, and be turned aside to fables.
