

Let's Take a Journey

Do you like to travel?
Well I do, and we are going to travel to a different place each month.

This month we are going to Mexico.

Mexico is located in North America. Look there is a map of Mexico at the bottom!

Mexico City

Mexico City is the capital of Mexico. Do you want to guess how many people are there?
There are 108,700,000 people.

Mayan City

One of the Cities in Mexico is Mayan city of Baak: built without using metal tools, pack animals or any wheels.

Map of Mexico

There is a new Coptic church was opened in Mexico few months ago by HH Pope Shenouda.

The main language in Mexico is Spanish. Lets' learn a word in spanish. "Buenos días "which means "Good morning "in English.

In Mexico the money is not called dollars. It is called Peso.

So that was a little bit about Mexico.

Get ready for next month because we are going to go to another place even more interesting.
