A.G.A.P.E. Curriculum

- Inclusion is an important aspect of the social and learning paradigm of individuals with special needs.
- Stewards serving children and youth with special needs should try to integrate the students in the mainstream classes for as much time as can be tolerated by the student with special needs.
- Integration and inclusion foster friendships among the same age peer group.

Preparation for Youth and Identifying a Goal

Lessons for the Month of September

- **Lesson Outline: Week 4**
 - You should have a goal and it should be identified. Jesus Christ came to define your goal for you.
 - A person should know exactly what he is going to do. Where he is going. How much time he will spend on his journey.
 - Jesus made the disciples responsible for the whole world. They had to teach all His ways.
 - Your goals are Promoting the relationship between people and God. Promoting man's relationship with himself. Promoting the relationship between man and his fellowmen.
 - Every person living with Jesus Christ is required to be actively alive within the body of God.
 - Any work does not lead people to join the Church or perseverance in prayer would come short of achieving the goal.
