Sunday School Grade 6

A.G.A.P.E. Curriculum

- Inclusion is an important aspect of the social and learning paradigm of individuals with special needs.
- Stewards serving children and youth with special needs should try to integrate the students in the mainstream classes for as much time as can be tolerated by the student with special needs.
- Integration and inclusion foster friendships among the same age peer group.

Lessons for Filler Lessons

- **Lesson Outline: # 2**

- Job was an upright and straight man before the Lord. He had seven sons and three daughters. He had a lot of riches.
- The devil said that Job was faithful because he was rich. The Lord allowed Satan to take all what Job had.
- The devil took away everything including his kids. Job was still faithful to the Lord. Then he gave him soars on his body.
- Job's wife told him to curse God. He told her we accept the good and bad from God.
- Three of Job's friends came to console him. The Lord told them to take 7 bulls and 7 rams to Job. He will offer them as a sacrifice for yourselves.
